sponsored jointly by the american society of mechanical engineers and international material management society this single source reference

is designed to meet today's need for updated technical information on planning, installing and operating materials handling systems. It not only classifies and describes the standard types of materials handling equipment but also analyzes the engineering specifications and compares the operating capabilities of each type over one hundred professionals in various areas of materials handling. Present efficient methods, procedures and systems that have significantly reduced both manufacturing and distribution costs.

This reference gives the small animal practitioner a complete information source for the basics of avian medicine and surgery. It pulls together the international expertise of the avian veterinary community by incorporating the knowledge of authors world wide. The first six chapters cover the basic medical information needed to run a primary care avian practice. The focus here is on introductory level material and the average companion animal practice. If you see between one and five birds a week this text is for you. The later chapters are species specific and help the veterinarian in evaluating, treating and/or referring various bird species. The new edition builds on the success of the first edition and includes full colour illustrations throughout. The first 6 chapters cover basic information needed to run a primary care avian practice. The later chapters are species specific, helping veterinarians to build up their knowledge in order to evaluate, treat and/or refer. Multi-author text combining best practice tips and different techniques from avian experts worldwide. The editors are from 3 different countries and the chapter authors from many more. Provides quick access to crucial information for the non specialist. Offers the basics of avian medicine and surgery fully up dated throughout. Full colour throughout. Increase of line drawings and illustrations in general better quality images. Includes practice tip highlights throughout.
